

OTHELLO MONO

design ridea

Essenziale, lineare, funzionale, questo scaldasalviette porta la potenza termica tipicamente elevata della collezione cui appartiene in bagni di piccole e medie dimensioni. È composto da due soli elementi che uniscono l'elegante verniciatura del corpo scaldante verticale con la preziosa cromatura del fascione orizzontale.

Essential, linear, functional, this towel rail takes the typically high thermal output of its collection into small and medium size bathrooms. Composed by only two elements which joint the elegant painting of the plumb-line heating body with the precious chrome plating of the horizontal bar.

Finitura fotografata in questa pagina:

Noir 200 Sablè SW306F;

nella pagina accanto, Bianco traffico RAL 9016

opaco con barra portasalviette

in alluminio cromato.

Finishes photographed on this page:

Noir 200 Sablè SW306F;

on the opposite page, Bianco traffico

RAL 9016 matt with chromed aluminium towel bar.
